1. I suggested to [ ] that on his overseas trip we arrange to have our Station Chief at each of his destinations report to [ ] to render any assistance. I also suggested that we send him a daily roundup such as we are doing for General Taylor and as we have done for others.

2. He was most appreciative of both suggestions and asked that we take action accordingly. Please see that our Station Chiefs are informed and put the responsibility for contacting [ ] on them. Also please arrange for the daily roundup message.
